

Greenfields School

FEES

September 2018 to July 2019

As an independent school, and as a charity with students from different backgrounds and faiths, Greenfields aims to keep its fees comparatively low in order to be accessible to as many children as possible. The aim is to give parents a full educational solution from age 2 through to age 18, Nursery to A Levels, furnishing a complete pathway for their child.

Additional discount is available in the form of the Longevity Discount Scheme.

In order to see how this works for you, simply select Day Student Fees or Student Fees Including Boarding and find the section that applies to your child. The aim is to provide an independent school education with low fees.

For any notice given mid-term, the term's notice period will begin on the first day of the next full term.

PAYMENT METHODS

We accept bank transfers, cash and debit cards.

MONTHLY PAYMENTS

Payment of monthly fees is by special arrangement only: the fee payer has to request this service and it has to be agreed and approved by the school. Payments have to arrive in the school account on the first day of every month by Standing Order.

For local parents who pay monthly, the fees are arranged across 12 months, from September to August. For international parents paying monthly, the fees are arranged across 10 months from September to June.

Each payment is calculated by taking the annual fee and dividing it by 12 for local parents or 10 for international parents, and IS THEN billed accordingly. Parents need to understand that their payments are not payments for a month's teaching at the school, but a 10 or 12 monthly division of the whole annual fee and that sometimes their payment will fall due when their child is not actually in school.
